## New Canine "Ace"

Recently the City started looking into a new K-9 as there was no K-9 in Logan County. Preliminary costs estimates indicate a K-9 would cost around \$4000 to \$8000 and with training, vehicle, and equipment the costs would be around \$56,000.

Mildstadt, Illinois, was looking to sell their 2007 Chevrolet Tahoe, a 3yr old K-9 and all the equipment, due to the handler taking employment with another agency. Chief Adams was able to work with Chief Wilkerson on a price of \$12,000 for the vehicle, K9 and all equipment. Funds to pay for the K9 were taken from drug and alcohol fines that have been collected which can be used for drug and alcohol enforcement and education.

Ace was trained in narcotics detection, apprehension, and tracking and found a missing child in a cornfield just outside Millstadt. Ace will be an excellent addition to the department.

Ace will be assigned to Officer Ryan Sullivan. Training will begin in January and hopefully have them street ready by March of 2017.

## MONTHLY STATISTICS

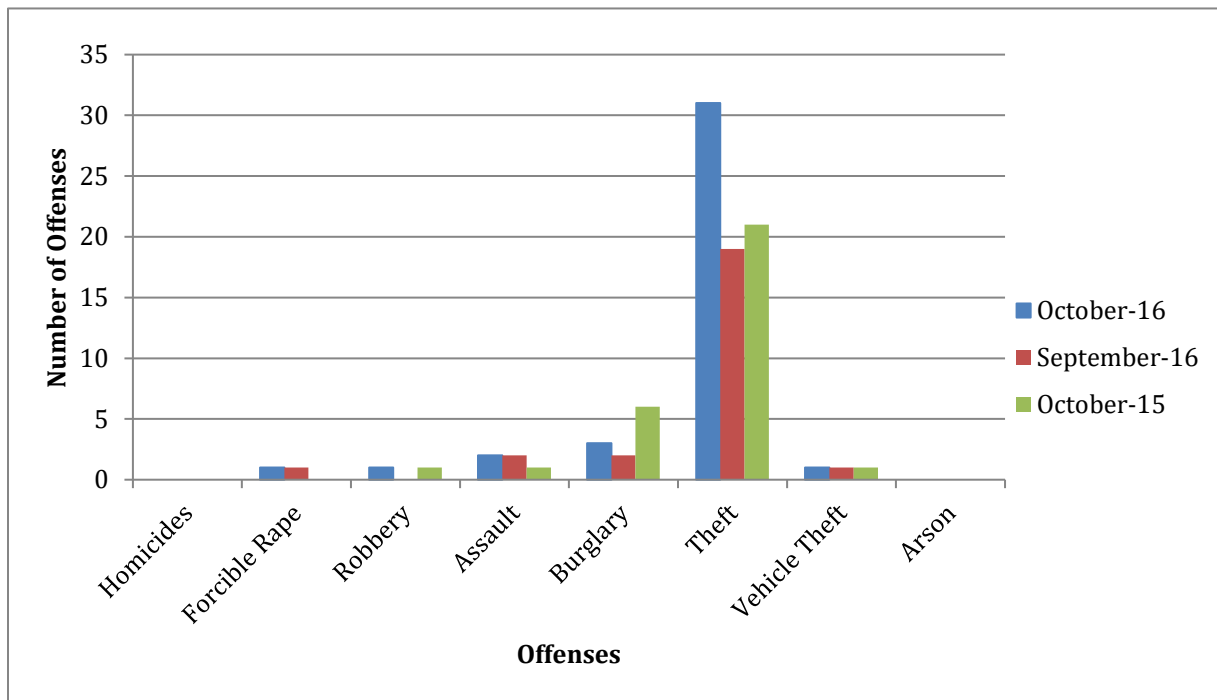

### Uniform Crime Reporting (UCR)

UCR is the reporting system that the State of Illinois uses. These statistics are sent to the FBI to be included in the Federal UCR statistics. These statistics include the most major crimes. Although the State of Illinois has many offenses some are grouped together for these stats, for instance battery is included in assaults.
